

Breakfast

File Folder Matching Game

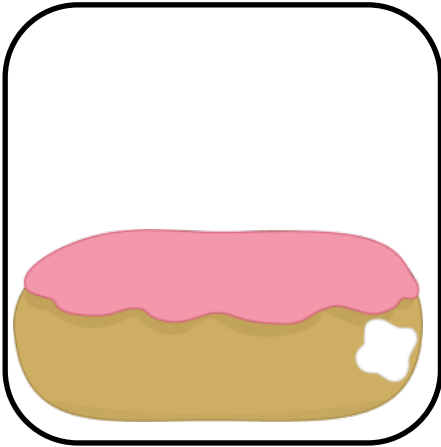

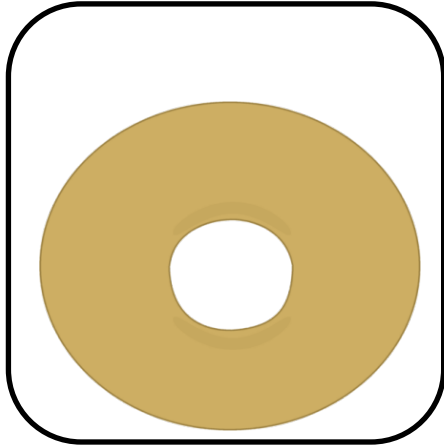

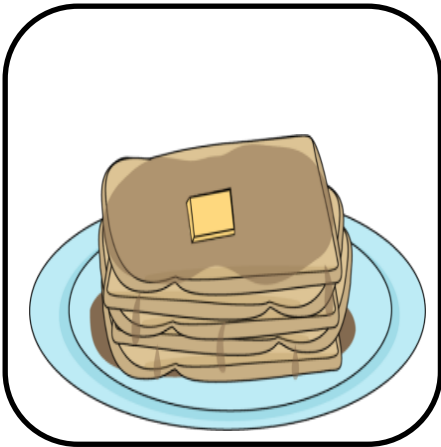

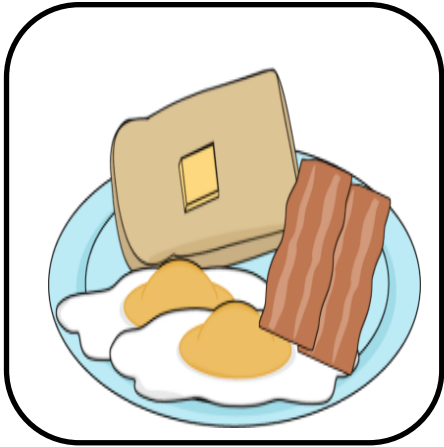

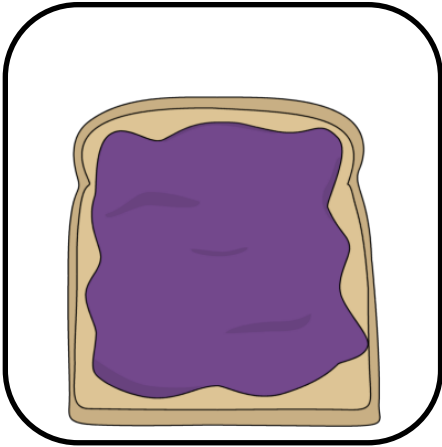

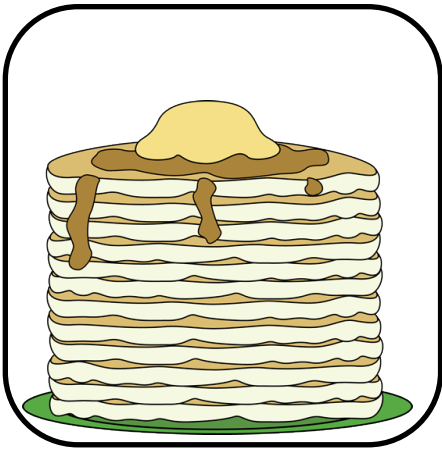

© Stutelage Innovations

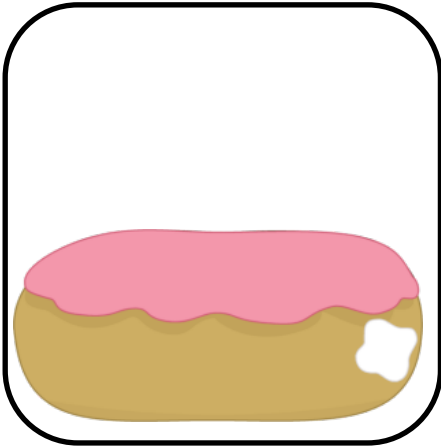

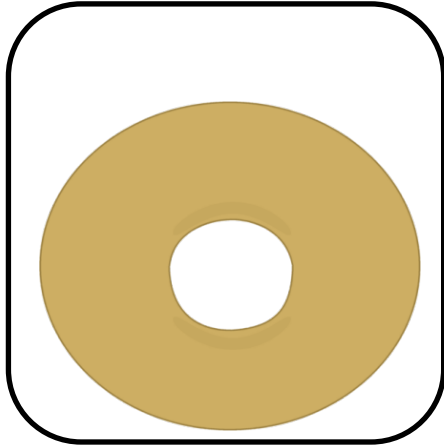

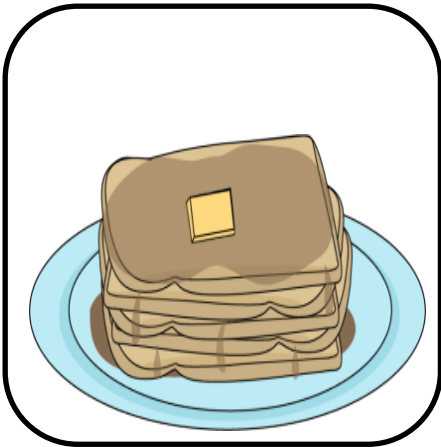

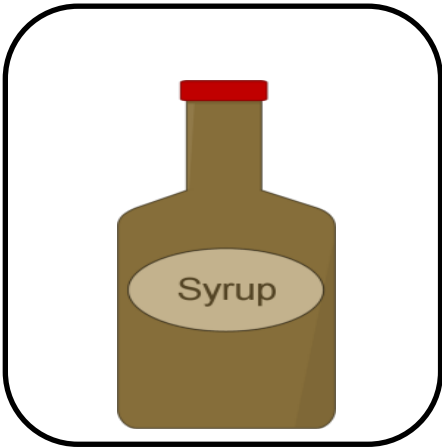

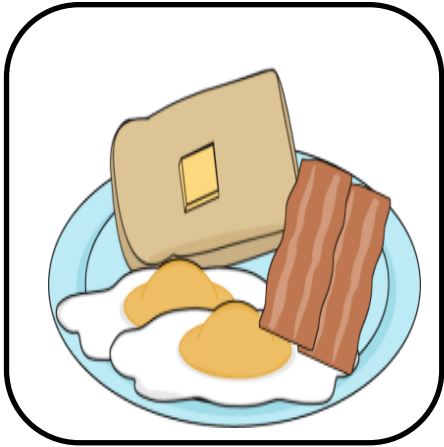

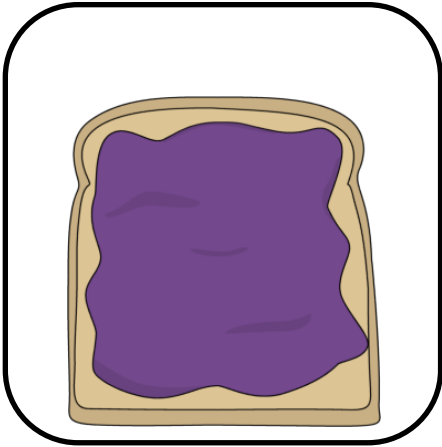

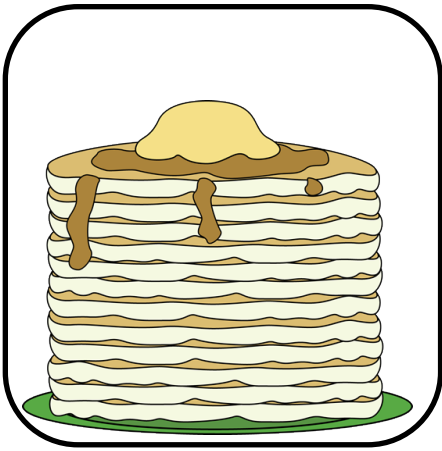

Teacher Directions:

Attach laminated full sheet of breakfast images to the left side of the inside of a file folder. Place a small piece of velcro above each image. Cut out and laminate breakfast image squares. Affix velcro to the back of each square at the top. Attach an envelope to the right side of the folder and insert breakfast image squares. Student can practice matching the images from the envelope to the images on the left side of the folder.

Student Directions:

Match each breakfast image from the envelope to the same image in the folder. Have fun!
